## *Sarabeth's Park Avenue South*

### Editorial Review

Connecticut's embassy in NYC. Think Martha Stewart pre-disgrace. Homemade jams to be savored with easy-listening jams. Park Avenue South location is huge enough to bring the whole family, with contemporary design to blend into the nabe. Legendary brunches, like the sibling spots, serving up lemon ricotta pancakes with fresh berries or classic eggs Benedict. Free-range chicken pot pie for cruelty-free diners.
